The National Treasure Award

A Beautiful Mind

*In Recognition
of Beautiful Minds*

“Leadership is about leading by example and being a key part of the process... Good leaders have power, but great leaders empower – and this is the epitome of being ‘infinitely great’. These ideologies are captured in the National Treasure Award 2016.”

Noor Shamma

*Founder, Postcard Initiative
Head of Communications & Public Affairs
Paris-Sorbonne University Abu Dhabi*

NATIONAL TREASURE 2016

The infinity symbol represents the idea of “infinitely great”. There are many positive associations to the symbol such as perfectionism, continuity, connectivity, flow, dualism, unity between male and female. The head represents the leader and is made out of pearl which symbolizes wisdom acquired through experience, integrity and loyalty, in addition to them being the national treasure of the UAE – the 6 other pearls represent the concept of leaders create more leaders (all being national resources). The choice of 7 pearls is to symbolize the 7 emirates in the UAE.
